EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Craig Horsten, Reg # 38917 on 6/10/05.

The application has been amended as follows:

Claim 26 has been canceled.

Allowable Subject Matter

2. Claims 19 and 21-25 are allowed.
3. The following is an examiner's statement of reasons for allowance:

As claim 19, the prior arts in the record fail to disclose a switch backplane comprising a plurality of claim lines, each claim line interfacing with one or more of the plurality of the switching controllers and having an association with a different one of the plurality of packet buses, wherein a switching controller transmitting a claim signal on a packet bus's associated claim line upon identifying a packet propagated on the packet bus for capturing within a structure of the claim.

As claim 25, the prior arts fail to disclose or make obvious to a method for transmitting a claim signal to other receive interfaces on one of a plurality of claim lines reserved for the packet bus on which the packet was received; for each packet, on each receive interface on which the

packet's destination address is not recognized, determining whether a claim signal has been received from another receive interface; on each receive interface, capturing the packet for which a destination address is recognized on the receive interface or for which a claim signal has not been received from another receive interface; and on each receive interface, filtering the packets for which a destination address is not recognized on the receive interface and for which a claim signal has been received from another receive interface within a structure of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
